AMENDED PERMIT

File No. T- 102,402

CROWN MOVING AND STORAGE COMPANY

Name of Carrier

Number	Street	City	Zip Code	County
180	Quint	San Francisco	94124	San Francisco (38)

The above-named Carrier, having made written application to the Public Utilities Commission of the State of California for a permit to operate as a RADIAL HIGHWAY COMMON CARRIER, pursuant to the Public Utilities Code, and having complied with all other provisions of said Code, is granted this permit authorizing the transportation of property for compensation by motor vehicle over the public highways of the State of California as a RADIAL HIGHWAY COMMON CARRIER, as defined in said Code, subject to the following conditions:

- (1) No vehicle or vehicles shall be operated by said Carrier unless adequately covered by a public liability and property damage insurance policy or corporate surety bond as required by Sections 3631 and 3632 of the Public Utilities Code.
- (2) No vehicle or vehicles shall be operated by said Carrier unless there is displayed thereon a distinctive identifying symbol in the form prescribed by this Commission.
- (3) Said Carrier shall comply with all orders, decisions, rules, regulations, directions and requirements governing the operations of said Carrier, issued, published, prescribed or adopted by this Commission pursuant to said Code.
- (4) Said Carrier shall at all times while operating under this permit, or any amendment or supplement thereto, observe and comply with all decisions, orders, rules and regulations issued, prescribed or adopted by this Commission relating to or affecting rates and charges to be assessed or collected by said Carrier for transportation and accessorial services.
- (5) Said Carrier shall not engage in the transportation of property over the public highways under this permit when such transportation is covered by said Carrier's Highway Common Carrier operative authority or by joint rates published in its tariff schedules on file with the Commission.
- (6) This permit shall be subject to amendment or modification from time to time by this Commission as conditions may warrant or require and shall also be subject to suspension or revocation as provided in the Public Utilities Code.
- (7) This permit shall not be sold, assigned, leased, or otherwise transferred or encumbered without first obtaining Commission authorization.
- (8) This permit shall lapse and terminate if not exercised for a period of one year.
- (9) Operations under this permit are limited to:
  - (a) Transportation subject to the minimum rate tariff(s) purchased and maintained by said Carrier for which another type of permit is not required, and
  - (b) Transportation for which minimum rates have not been established by the Commission, and
  - (c) Independent contractor subhauling operations other than those requiring another type of permit.
